

2018-2019 Course Offerings Updates

Kingsford High School is excited to announce some new learning opportunities that will be available to students for the 2018-2019. Students who would like to take advantage of these opportunities should notify the Counseling Office immediately to make the necessary schedule changes.

The following courses will be offered on KHS's Campus:

Dual Enrollment through Bay College

- PSYCH 201 - Psychology
- SOCY 151 - Sociology
- ENGL 101 - Rhetoric and Composition
- ENGL 102 - Research Writing
- PHYS 205 - Engineering Physics (Tentative)
- CHLD 101 - Foundations in Early Childhood Care & Education (Tentative)
- CHLD 125 - Infant/Toddler Development & Programming (Tentative)

** It is undecided whether or not KHS will be offering concurrent enrollment through Northern Michigan University in Pre-Calc (MA 115) and AP Lit (EN 111). Both Pre-Calc and AP Lit are still offered as courses, but it is not certain whether or not NMU credit will be an option. **

A representative from Bay College will be at KHS on May 14 from 10:00 to 12:00 in Room 110 to help students who are interested in taking a Dual Enrollment course through Bay register and answer questions. You must bring your Social Security # with you to this meeting and you must know your address -- the address where you spend MOST of your time.
